# REDMOND OUTDOOR SCULPTURE

2005  
—  
2007

## Welcome to Redmond!

The Redmond Arts Commission invites you to explore the  
2005—07 Redmond Outdoor Sculpture (ROS) exhibition.  
Whether you are visiting for the day or staying overnight,  
you will find shopping and dining opportunities along  
the way. This exhibit, now in its eighth year, displays  
sculptures in more locations than ever before. Touching is  
part of the whole experience and we invite you to gently  
explore the many sculptural textures.

The map shows where all the ROS exhibit pieces can be  
found as well as star (★) symbols indicating The City of  
Redmond's permanent artworks. For more information on  
these pieces, be sure to pick up the Art Treks brochure or  
check out the exhibit guide available on the arts website.

## Enhancing Our Community Through the Arts...

The City of Redmond Arts Commission and the Redmond Parks and  
Recreation Department express their gratitude to both the event  
sponsors for their financial and site support and the featured artists  
for bringing their creations to Redmond. The success of ROS is only  
possible due to the involvement of the community sponsors who  
support the Commission's mission.

The temporary art is for sale. To inquire about buying a ROS artwork,  
please see the contact information below. Additional information  
about ROS and other art opportunities around Redmond is available  
on the City of Redmond's website at [www.redmond.gov/arts](http://www.redmond.gov/arts).

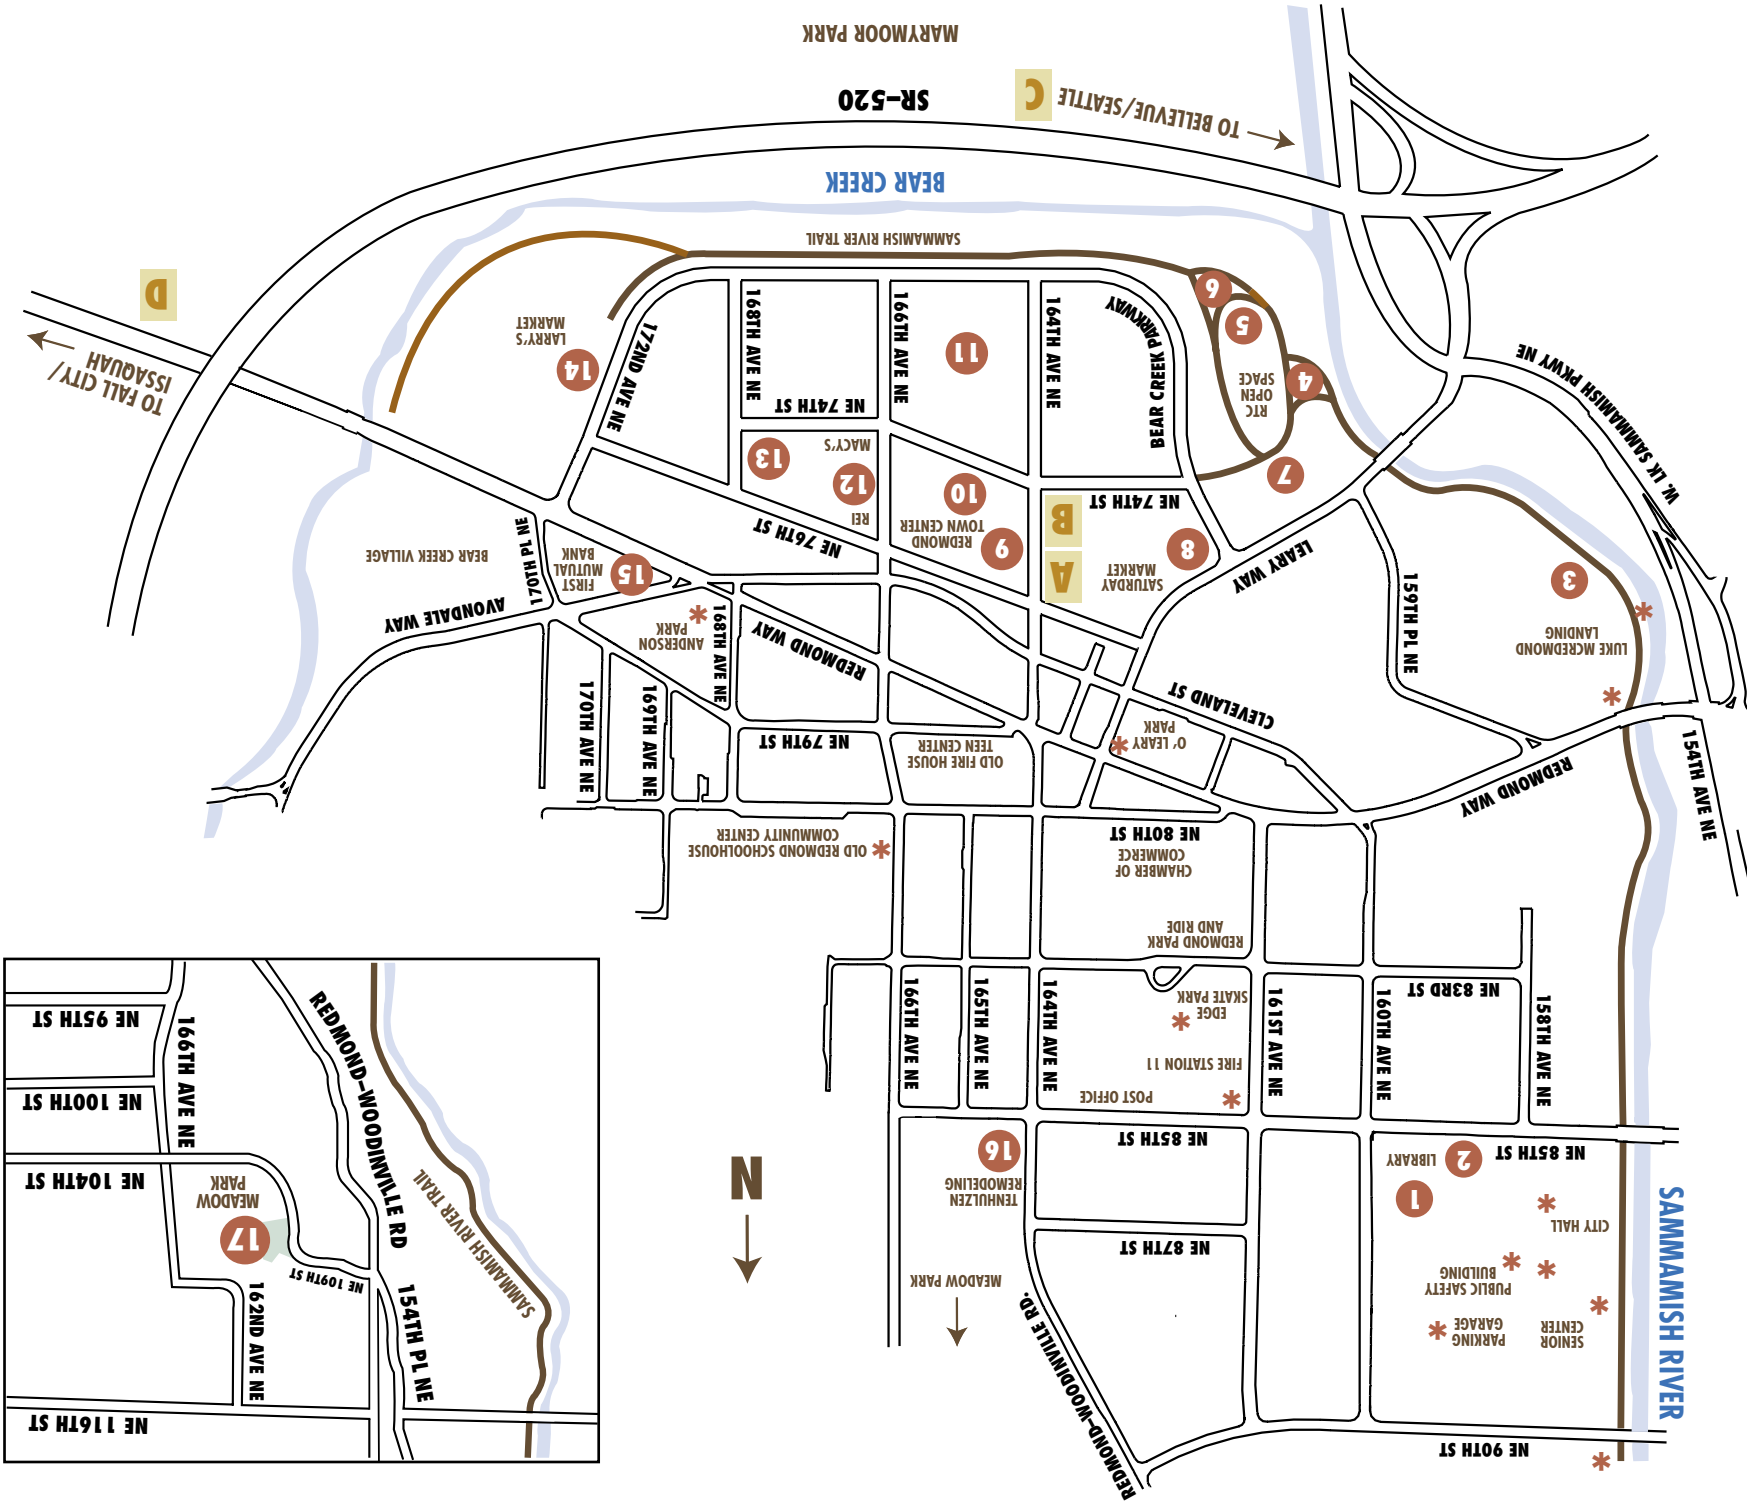

We want your feedback! What did you like about the exhibit? What  
would you like to see added? Is there a particular sculpture that you  
would like to purchase or see the City purchase? Do you have ideas for  
future arts events? If so, contact the Arts Administrator at 425.556.2316  
or [mskillingsstead@redmond.gov](mailto:mskillingsstead@redmond.gov) or write to Redmond Arts  
Commission, ORSPK, P.O. Box 97010, Redmond WA 98073—9710.
